Dear families,

We are very excited to be taking part in our Cash For Kids Sports Challenge, where our whole gym will be working together to complete **2,000 handstands in 20 days**. **WE ARE SO EXCITED THAT ALL OUR GYMNASTS WILL BE TAKING PART IN THIS HANDSTAND CHALLENGE.** Everyone of our gymnasts will be taking part, building confidence, showing determination and cheering each other on as we work towards this brilliant shared goal.

We are aiming to raise £5,000!

If we come first in this challenge we could be awarded an extra £5,000!

All parents will need to come into the gym the week of the 28th of September, 10 minutes before the end of their session to collect their child and sponsorship goodie bag (we are unable to give out bags to gymnasts without a parent / carer being present - bags contain goodies for the gymnasts). We are so excited that we will be able kick off this challenge with our parents getting a front row view of their fantastic gymnasts and their fantastic handstands!

This challenge is really important because every pound raised will support our **Every Family Matters Programme**, helping families who need extra support.

Why does this matter?

Viva Gymnastics Club has been proudly running since 2018 and we are a registered charity, with one simple belief at our heart: every child deserves the chance to experience gymnastics, build confidence and feel part of something special. We work incredibly hard to keep our sessions affordable, accessible and inclusive for local families, and we are proud to offer some of the lowest-cost gymnastics sessions in our area. Once a year, we ask our wonderful Viva families to come together and support the gym through a sponsorship challenge. The money raised helps us continue opening doors, supporting our community and making sure that gymnastics remains a place where every child can belong, grow and shine.

By getting behind the challenge, we can show our children the power of teamwork, kindness and community spirit - and remind them that their efforts can make a real difference.

Sponsorship challenge dates: Monday 28th September to Sunday 18th October.

All sponsorship money and sponsorship bags should be brought back to the gym the week of 19th October, when children can swap their sponsorship bag for a prize token.

We will celebrate every penny raised, but our suggested sponsorship amount to help us reach our goal is **£10 per gymnast**.
